

Personality Research Form (PRF)

Research Bibliography

RESEARCH BIBLIOGRAPHY - PRF¹ ARTICLES 1966 - 2008

A list of titles relevant to the Personality Research Form (PRF) based on a search of the literature is presented. Research ranges from studies of particular personality dimensions such as achievement, faking and response distortion, college selection, student characteristics, drug and alcohol use, impression formation, counselor and therapist characteristics, cross-language and cultural studies, and others.
